A Catalogue of Rare Knitting Books of the Nineteenth Century

A Fictitious Descriptive Bibliography Prepared
According to AACR2 Conventions with Auction Pricing

This catalogue describes twenty books, both fictitious and existing, historically plausible printed books on knitting, and weaving techniques. They all originate from around the nineteenth-century. Each entry includes standardized bibliographic elements, descriptive details, provenance notes, and estimated auction pricing based on rarity, condition, and historical significance.

1. Whitcombe, Eleanor Harrowby

The domestic art of knitting, as practised in the northern counties of England.

London : Printed for J. Alderwick & Sons, Paternoster Row, 1834.

xii, 108 p., [4] leaves of plates : ill. ; 21 cm (8vo)
